SPONSORSHIP INFORMATION

2023 - 2024

School Fuel is a 501(c)(3) nonprofit foundation formed in 2003 by parents and community leaders.

Our mission is to elevate educational opportunities for all Novato public school students.

To help achieve this goal, we raise funds each year to provide programs for all NUSD schools.

Our programs provide opportunities for all students to shine, offer learning enrichment, showcase student talent, respond to educational needs, and foster a love of learning.

School Fuel's grants champion innovation, creativity, and inclusion in all schools.

For 20 years, parents, community members, and local business partners have supported Novato students with essential programs that our schools cannot afford. These additional learning opportunities and supports include:

- Music
- Visual Arts
- Performing Arts
- Literacy
- Wellness
- Science
- Academic Competitions
- Marin MOCA Art Program
- Math
- Technology
- Student Engagement, Clubs, Leadership
- Library Books & Materials
- Field Trips
- Academic Support

We do all of this with volunteer leadership and generous community business partners and families.
